Hummm.... Any other ideas?

A Latin course is comprised of a series of test grades.

On the first seven tests, a student scores:

60, 70, 80, 80, 80, 90, 100

On the eighth test, the student scores a 0.

What should the student's grade in the class be?

	Grade 1-7	Grade 1-8
If we use MEAN	80 (560/7)	70 (560/8)
If we use MEDIAN	80	80

(0)-60-70-80-80-80-90-100
